Ross Medical Education Center in Granger Donates 33 Life-Saving Units of Blood to the South Bend Medical Foundation

GRANGER - The students and staff of Ross Medical Education in Granger, located at 445 East University Drive, rolled up their sleeves last week for a good cause – to donate blood to the South Bend Medical Foundation (SBMF). The forty-six school donors, along with members of the community stopped by the mobile blood van to donate a total of 33 units of blood. One unit of blood can be used to save the lives of three people in the community.

Combined with a previous SBF drive held in July, Ross has donated 69 units or the equivalent of 207 lives saved this year.

SBMF blood bank is the only blood product supplier in this area to supply the blood locally. To donate or hold a drive, visit their website at <http://www.sbmflab.org/>.

About Ross Medical Education Center

Since 1976, Ross Medical Education Center has dedicated itself to providing a quality curriculum that meets the needs of students who desire focused, short-term allied health education. Ross has 19 locations throughout Michigan, Ohio and Indiana. All of its schools are accredited by the Accrediting Bureau of Health Education Schools (ABHES), which is recognized by the U.S. Secretary of Education for the accreditation of private, postsecondary allied health education programs in the United States. Each Ross campus is also licensed by the state in which it is located. More information can be found at www.rossmedicaleducation.com or by calling toll-free, (800) 833-7677.
