FLINT TOWNSHIP, Michigan — The Flint Township campus for Ross Medical Education Center was among top schools to participate in an effort to thank active and retired soldiers through personal mail this year.

Ross Medical Education Center, which has 19 campus locations throughout Indiana, Ohio, and Michigan, partnered with non-profit **A Million Thanks**, which collects cards, letters, and e-mails and sends them to military members serving in the U.S. and abroad.

Students and staff were encouraged to personalize their messages with artwork or photos.

The top participating schools in Michigan included the Flint Township branch located at G3630 Miller Road, with 353 letters, followed by Port Huron with 258 letters, and Roosevelt Park with 211 letters.
