**Special events**

More than 80 students and staff from the Ross Medical Education Center in Port Huron will lace up their shoes Sunday to take part in the annual March of Dimes March for Babies Blue Water River walk. More than 800 walkers are expected to take part in the 41st annual event, which hopes to raise \$109,000.

The walk will be on the grounds of the St. Clair County Community College with pre-walk events set for 8 a.m. For more details, go to [www.marchforbabies.org](http://www.marchforbabies.org).
