

# Licensure Determination Disclosure Diploma/Certificate Programs

In compliance with [34 CFR 668.43](#), Ross Medical Education Center/Ross College has made a reasonable effort to determine graduate eligibility for licensure in all states/territories for programs designed and advertised as leading to licensure. The chart below lists Ross programs and states/territories where the curriculum meets licensure requirements, states/territories where the curriculum does not meet licensure requirements, and states/territories in which Ross has been unable to determine if the curriculum meets state licensure requirements. All consumers should be advised that due to the frequent changes to statutes, rules, and regulations Ross cannot guarantee licensure based on the lists below.
